

# E.G. ATKINSON

BUILDERS LTD.

## Testimonial from Mr and Mrs Belt

As local business owners and property developers, we have used Eddie and his team for over twenty five years on various projects, large and small, domestic and commercial.

Our latest project was an ultra-modern extension to our own home, a rural Georgian property.

We are delighted with the result. His work is exceptional, with great attention to finish.

Any input we offer is listened to and changes incorporated and implemented. We have no qualms in recommending E G Atkinson Builders Ltd to our own Estate Agency clients and would always use the firm for our own projects.
